

Access Ramp - Black Rubber

DESCRIPTION

One piece access ramps made from slip resistant recycled rubber easily fit in front of your door or any other vertical barrier you might have. These 100% recycled rubber ramps help you effortlessly transition from one height to another. These are the ideal solution for eliminating tripping hazards and creating access pathways for wheelchairs and trolleys. Available in three ramp heights, they can be laid in place or permanently fixed with adhesive.

FEATURES

- Suitable for door thresholds, sliding glass doors, entry ways, or any path of travel with a vertical barrier
- Ideal surfaces include concrete, asphalt, wood, tile, and marble
- Creates wheelchair access and eliminates tripping hazards
- Reduces labour and maintenance free use
