

Hi-Viz Kerb Ramp End Cap Rubber**DESCRIPTION**

One piece access ramps made from slip resistant recycled rubber easily fit in front of your door or any other vertical barrier you might have. These 100% recycled rubber ramps help you effortlessly transition from one height to another. These are the ideal solution for eliminating tripping hazards and creating access pathways for wheelchairs and trolleys. Available in three ramp heights, they can be laid in place or permanently fixed with adhesive.

FEATURES

- Portable heavy duty moulded rubber ramp suitable for trucks, cars or hand-trollys
- Each unit has two recessed mounting holes for securing the ramp in place
- Installation Service Available
